

# DAMAC PROPERTIES LIVE THE LUXURY

DAMAC Properties has been at the forefront of the Middle East's luxury real estate market since 2002, delivering award-winning residential, commercial and leisure properties across the region, including the UAE, Saudi Arabia, Qatar, Jordan, Lebanon, and Oman, as well as the United Kingdom. Since then, the Company has delivered over 27,400 homes, with a development portfolio of more than 35,000 at various stages of planning and progress.\*

Joining forces with some of the world's most eminent fashion and lifestyle brands, DAMAC has brought new and exciting living concepts to the market in collaborations that include a golf course by Tiger Woods Design, managed by The Trump Organization, and luxury homes in association with Versace, Fendi, Just Cavalli, Paramount Hotels & Resorts and Radisson Hotel Group. With a consistent vision, and strong momentum, DAMAC Properties is building the next generation of Middle Eastern luxury living.

DAMAC places a great emphasis on philanthropy and corporate social responsibility. As such, the Hussain Sajwani – DAMAC Foundation, a joint initiative between DAMAC Group and its Chairman, Hussain Sajwani, is supporting the One Million Arab Coders Initiative. The programme was launched by Vice President and Prime Minister of the UAE, and Ruler of Dubai, His Highness Sheikh Mohammed bin Rashid Al Maktoum, and is focused on creating an empowered society through learning and skills development.

The Roads and Transport Authority (RTA) Route 2020 project to extend the Dubai Metro by 15 kilometres, branching out from Nakheel Harbour and Tower station to the Expo 2020 site in Dubai South is now well underway. This means Celestia will let you stay connected to Dubai city with a dedicated metro line, and to the world through Al Maktoum International

Airport. The much anticipated extension is expected to link the Etihad Rail as well. Route 2020 will provide a vital transit corridor linking various Dubai districts.

But this is just part of the story. Three new lines are planned, which in addition to the existing ones, will span 421 kilometres by 2030.
